

Install and Connect Emby Server with Kodi 17 Krypton

https://kodi.wiki/view/Add-on:Emby_for_Kodi

Emby Server Plugins:

```
Emby for Kodi Sync Queue
```

- This plugin will speed up the media sync done by kodi on every startup

```
Auto-Box Set
```

- Automatically organizes Movies into sets (collections in Emby), based on data from themoviedb.org

Download Latest Repo Here:

https://kodi.wiki/view/Add-on:Emby_for_Kodi#Installing_Emby_for_Kodi

Kodi Setup:

- Install Repo
- Install Add-on >> Video Addons >> Emby

Configure Emby via:

```
System >> Add-ons >> My Add-Ons >> Video Add-Ons >> Emby
```
